

Meme's Apple Cake

from LoganWolfram.com

- 3 cups unsifted flour
- 2 cups sugar
- 1 cup mayonnaise
- 1/3 cup milk
- 2 eggs
- 2 tsp baking powder
- 1- 1/2 tsp cinnamon
- 1/2 tsp nutmeg
- 1/2 tsp salt
- 1/4 tsp cloves
- 3 cups chopped, peeled apples
- 1 cup raisins
- 1/2 cup chopped pecans

Mix in first 10 ingredients on low speed, scraping bowl frequently. Stir in apples, raisins, and nuts. Spoon into whatever pans you want. Meme used 9" cake pans and frosted layers with whipped cream in between. I have used a bundt pan, loaf pans, and muffin tins. Whatever you use, grease it first and bake at 350. I've found that for loaf pans, it takes 30-45 min....about 45 min-1 hr for bundt pans, and about 25-30 min for muffins. Make sure you are a little bit warm, but this will keep well if you want to double up and freeze some too.
